News from your Scout Group - 25th

Both churches will have a charity tree for people to decorate with a prayer and comment and donate to the charities we support over Christmas. Carols will be playing and, if allowed, we may have a small choir singing!

ADVENT STUDY – there will be some form of study – we are working out what form this would take.

REV'D FIONA - I am taking some annual leave (staycation) from the 23rd -27th November.

NB although I will still physically be here I will not be working!

ST. MARK'S WOMEN'S CIRCLE - we are still collecting for the Purley Food Bank. Items can be left either in the church or at Robina's house at 5 Peaks Hill. Items can also be left by the box at the back of the church.

Purley (St. Mark's)

Scouting during lockdown

We continue to enjoy fantastic weekly virtual Beaver, Cub and Scout meetings with an excellent turnout from our young people thanks to our amazing volunteer leader team. We meet on the same day at the same time for the same amount of time to keep everyone in a routine. We are keeping our fingers crossed that we may be able to go ahead with our Christmas themed Activity Day at Park Farm Scout Camp Site, Banstead on Sunday 6th December. We need to move from the current RED to Amber for this to happen. If you know a young person keen to become a Beaver, Cub or Scout, to make friends and have fun, please introduce them to the 25th Purley NOW! Interested families should click on the "Joining Us" button on our web site - www.25thpurley.org.uk to find out more and then complete and send us the form. We miss you all! Stay safe and stay well. All best wishes, *Barbara and Kerr.*
